Meeting Start Time: 7:02pm

In Attendance: Beth Tighe-Matos, Cassandra Zavodny, Stacy Fink, Amy Schaum, Amy McNamara

Notes submitted by: Amy McNamara, Secretary

2. Officer Reports

b. Vice- President - Cassandra Zavodny – Cassandra is not coming back next year as her son will not be attending Edison. Looking for someone to take over her responsibilities. Most responsibilities can be completed from home. Can also divide up responsibilities amongst a couple of people. One large project is the school carnival. Ashlyne has expressed interested in taking it over but needs a co-chair.

d. Treasurer – Cassandra Zavodny – Two fundraisers coming up – Spring Club Choice and Purse for a Purpose. Book Fair proceeds all went to Scholastic dollars, so the library will be able to get books. Teacher grants deadline was extended to Monday 2/11.

3. Principal's Report / Special Topic: Title 1 Reading Program – Mrs. Threat

- Title 1 is government funded money.

- Discussed School-wide Buildings vs Targeted Assisted Buildings

- Edison is a targeted assisted building based on a percentage of free and reduced lunches. Targeted assisted means that students in need are targeted for assistance vs school-wide where they can work with any kids in the building.

- Results from MAP reading scores are used to come up with targeted list. A list of students is made, ranked by score, and addressed from bottom up. At Edison, Title 1 teachers push in, which means they go into the classroom vs removing the child from the classroom.

- Need parental permission to work with the child.

- Title 1 also helps with One School One Book and this money paid for the One School One Book books.

- Title 1 Night will be coming up towards the end of the year.

4. Committee Reports -

a. Communications – Beth still looking for help with communications – Flyers, emails, Facebook.

b. Engagement – Lots of opportunities for helping out.

i. Valentine's class parties – led by teachers. Look for emails from room parents for more info

ii. Breakfast Club – need 4-5 volunteers. 7a-9:30a commitment or somewhere in between if can't stay entire time. Make coffee, set up, tear down, clean up. 2 days.
