

EDISON ELEMENTARY

NOVEMBER 16 - 19

(SATURDAY, MONDAY & TUESDAY)

SATURDAY: 10 AM - 3 PM

MONDAY & TUESDAY: 9 AM - 3 PM

We invite you
to visit the Book Fair
and experience
a celebration of reading!

Reading provides families the opportunity to get involved in a universal mission: encouraging kids to read every day so they can lead better lives.

Edison's Book Fair is part of a reading event that brings to school a wonderful selection of fun, engaging, and affordable books kids want to read. Giving kids access to good books and the opportunity to choose books will motivate them to read more. Since there will never be a substitute for a parent's direct involvement in his/her child's education, please make plans to visit our Book Fair.

During school days the fair will be open to students as they will visit with their classes as scheduled by their teachers. Saturday the Book Fair will be open to all, students, families and friends, in conjunction with the Holiday shop.

An online shop will also be in operation from November 10 through 23. This can be found through the Scholastic Book Fair website, or directly at: <http://www.scholastic.com/bf/edison elementary>

A Scholastic Catalog will be sent home a few days prior to the event with more details.

All profits directly benefit Edison Elementary.

This year, one of our goals is to ensure as many children as possible receive books and have access to books. One of the ways we can do that is through the **All for Books** program. To this end we are seeking to raise money for our school library, to buy new books and replace worn out popular titles.

Not only does your donation help our cause but Scholastic Book Fairs will match monetary donations raised with a donation of up to **one million books** to two non-profit organizations dedicated to helping children, families, and teachers acquire books and educational resources - **Kids In Need Foundation and Kids in Distressed Situations, Inc.**

A letter and collection envelope will follow in the next few days. No donation will be too small.
