March 2023

We are requesting a donation to be auctioned at a fundraising event for the public elementary school Thomas A. Edison Elementary in Willoughby, Ohio. Edison PTO supports our school with fundraising and volunteerism. Our mission is to create an environment where students are academically and socially successful.

We are a nonprofit organization with an approved tax-exemption status. Our organizational legal name is 'Edison Elementary School Parent Teacher Organization', EIN 45-4199772. Form W-9 available upon request.

Your donation will be highlighted in our Purses 4 a Purpose (P4P) program on April 21, 2023 and displayed to our 400 to 500 event attendees.

Over the past 5 years we've donated \$40,000 of technology for the students and invested \$20,000 on playground and courtyard enhancement to make our outdoor spaces useable. In a school of 650 students grades Kindergarten through Fifth, we are now turning our attention toward STEM programming (science, technology, engineering, and math). More equipment and supplies are needed so that students can engage with hands-on learning.

Your financial support of our community in any form is much appreciated. If you would like to help us with a donation this year, we would be so grateful for your generosity. When everybody works together, we can accomplish so much!

Sincerely,
Leigh Perrino
