EDISON ELEMENTARY PTO BECOME A VOLUNTEER

<http://www.edisonpto.org/>

Family involvement in a child's education is a key factor in raising confident and successful kids. We're asking that each family commit **just 2 hours** of volunteer time this school year. What you do with those 2 hours is up to you! There are some opportunities that take more time and some less. Some require you at the school and some you can do from home or on your own time. There is something to fit everyone's time & talent! Below we illustrate the opportunities available. If you are interested in joining us, fill out this form and return it to Edison (you can scan and email it to us too at eagles@edisonpto.org.)
